the Auto Mag Specialist

THE L. E. JURRAS, CUSTOM TUNE-UP FOR AUTO MAGS;
HAS BEEN MODIFIED AS FOLLOWS:

- (a) Mag-na-porting *
- (b) black chrome (dull) rear sight
- (c) red insert front sight
- (d) trigger job, 4-4½ lbs. *
- (e) polish locking lugs
- (f) complete, hand polish of bolt helix, extractor, ejector, and rotation pin
- (g) mate recoil rod springs for matching weight
- (h) buff and tune magazine
- (i) modify hammer pin and trigger pivot pin to accept "E" clips instead of snap rings
- (j) modify safety lever to accept allen cap screw; this replaces safety plate spacer & snap ring.
- (k) replace safety lever detent, w/ball bearing detent
- (l) test fire

PRICE: \$275.00 plus postage & insurance

* If your barrel is mag-na-ported, deduct \$20.00

* We do not recommend going below 4-4½ lbs. on the AM triggers. A 4 lb. trigger in this gun will feel like 2½ - 3 lbs. in a revolver.

We can modify your AM, replacing all snap rings, steps (i) and (j) for - \$25.00, if done separately from T.U.
