

Kent Lomont and Lee Jurras 2013 Calendar

A tribute to two icons in the ammunition, ballistics, gun, and hunting industries.

Auto Mag A00850

The first Auto Mag given by Sanford to Lomont to continue testing load ballistics for the new, at that time, .357 AMP. Lomont said this gun, as originally received, had a two line North Hollywood .357 AMP barrel. Note his change to a solid bolt.

December 2013

[illegible]

January

Auto Mag A00850

The first Auto Mag given by Sanford to Lomont to continue testing load ballistics for the new, at that time, .357 AMP. Lomont said this gun, as originally received, had a two true North Hollywood, .357 AMP barrel. Note his change to a solid bolt.

February

Kent Lomont A06699

One of a very few, approximately 4, Auto Mags produced by Kent Lomont, although he turned many more.

March

Auto Mag A00952

Jurras uses this Sanford gift to continue ballistics and load work while taking 117 head of game all over the world with this very gun!

April

Lee E. Jurras Model 100 LEJ100X

The last .44 AMP produced by Lee Jurras in his 100 series.

May

Lee E. Jurras Model 200 International LEJ-01

Though there were thirteen of these guns produced, all in .357 AMP caliber, the last one produced sported serial number LEJ-01.

June

Lee E. Jurras Model 200 International L'EJ. 02

This is the only engraved Jurras Auto Mag was specially produced to commemorate our 700th anniversary as a nation. It was calibrated in .357 AMP, with authentic 1880's ivory, gold plated trigger and a matching gold plated hammer!

July

Lee E. Jurras Model 300 Alaskan LEJ-01

This no nonsense hunter, in .44 AMP, sports a mid barrel fitting which allows a carry strap to be affixed to it and the back of the shoulder stock.

August

Lee E. Jurras Model 400 A06415

One of two .357 AMP Back Packers produced.

September

Lee E. Jurras Model 500 Grizzly A06437

There were only three of these beautifully polished Auto Mags made, all in .44 amp caliber.

October

Lee E. Jurras Model 600 Condor LEJ-09

There were only two of these .44 AMP beauties made.

November

Lee E. Jurras Metallic Silhouette A06429

One of only two metallic silhouettes made, this remains a bold classic in .357 AMP caliber.

December

Lee E. Jurras Metallic Silhouette JURRAS

The second of only two metallic silhouettes made, this remains a bold classic in .357 AMP caliber.
