Here is the information you requested on the .44 Auto Mag -- "the world's most powerful handgun." We think that you will agree, after examining the enclosed brochure, that this is the finest handgun ever designed!

The retail list price of the .44 Auto Mag is now firmly established at \$247.50. The F.F.L. Dealer discount is 20 percent, thus resulting in a dealer price of \$198.00. The gun is shipped in a heavy-duty carrying case with two magazines, an Instruction Manual, and the necessary tools for disassembly.

You can order the .44 Auto Mag by simply completing the enclosed Order Form and forwarding it to us, along with a deposit of \$20.00 for each gun ordered, in the enclosed postage free return envelope. Please include a certified copy of your Federal Firearms License.

We will acknowledge receipt of your order and deposit, and advise you of the length of our backlog at the time your order is received.

Incidentally, we have organized the Auto Mag Club exclusively for owners of the .44 Auto Mag and other Auto Mag firearms to be manufactured in the future. Club members, both individuals and dealers, will receive advance notice on all forthcoming Auto Mag products and accessories, and will also have the opportunity to share their Auto Mag shooting experiences with others via a periodic newsletter. Your membership application will be enclosed with your gun!

Thank you for your interest in Auto Mag. We look forward to hearing from you soon.

Sincerely,

AUTO MAG
