

Limited
WARRANTY
& Statement
of Liability

Arcadia Machine & Tool warrants to the original retail purchaser each new firearm sold by us to be free from defects in materials and workmanship. Our obligation under this warranty shall be limited to replacing or repairing any firearm or part thereof returned (prepaid) to us and found to be defective in either material or workmanship. This service will be provided free of any charge for parts or labor for a period of one (1) year from date of purchase.

In order for the original purchaser to avail himself of the protection of this warranty, he must give Arcadia Machine & Tool notice of the defect in materials and/or workmanship, which notice must be received by us within one month after discovery by purchaser of defects and, in any event within one (1) year from date of purchase. After such notice is received, Arcadia Machine & Tool shall send the purchaser instructions for shipment of the firearm.

PISTOLS, REVOLVERS, RIFLES and SHOTGUNS are classified as FIREARMS or DANGEROUS DANGEROUS WEAPONS and are sold by us with specific understanding that we assume no liability whatsoever for their safe handling or resale under local laws and regulations. Neither the manufacturer nor distributor assumes any responsibility whatsoever, regardless of nature for physical injury or property damage resulting from either intentional or accidental discharge or for the function of any gun subjected to influences beyond our control and we will honor no claims which may result from careless handling, unauthorized adjustments, defective or improper ammunition, corrosion or neglect.

ARCADIA MACHINE & TOOL reserves the right to make changes at any time, without notice, in prices, to change specifications or designs, to add or remove accessory materials and to add or discontinue models without incurring obligation.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state. This warranty and statement of liability supersedes all previous warranties and commitments.

Note: It is recommended to allow a break-in period of 200 to 500 rounds. If malfunction persists beyond this period, return to factory for immediate repair.

Note: We recommend the use of Sta-Lube
Super White Grease # 3151 (Lithium base)
with Castrol "R" 30SAE motor oil. The
slide and barrel lug area should be at a
3 to 1 (grease to oil) ratio. The dis-
connector slot in the slide should be
the same. The frame-to-slide rails should
be stright oil. The barrel muzzle should
be lightly lubricated also.

*** These parts are not Stainless Steel.
